Mission

Encontre o extrato da conta

--- Step 1 ---

Reflection:

The current mission is to find the 'extrato da conta'. The current screen shows account balance and other options, but an option specifically labeled as 'extrato' is not visible.

Thought:

I should scroll down to check if there are more options available that might include the 'extrato da conta'.

Action:

Scrolled down

--- Step 2 ---

Reflection:

The current view does not show any direct option or link labeled 'extrato da conta'.

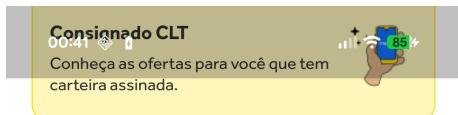

Thought:

Since the 'extrato da conta' is not visible or accessible from this screen, the next best step is to scroll down to explore further options that may be hidden.

Action:

Reflection:

I have attempted various actions that did not lead to the account statement. The goal is to find the account statement, but I have been interacting with elements unrelated to this task.

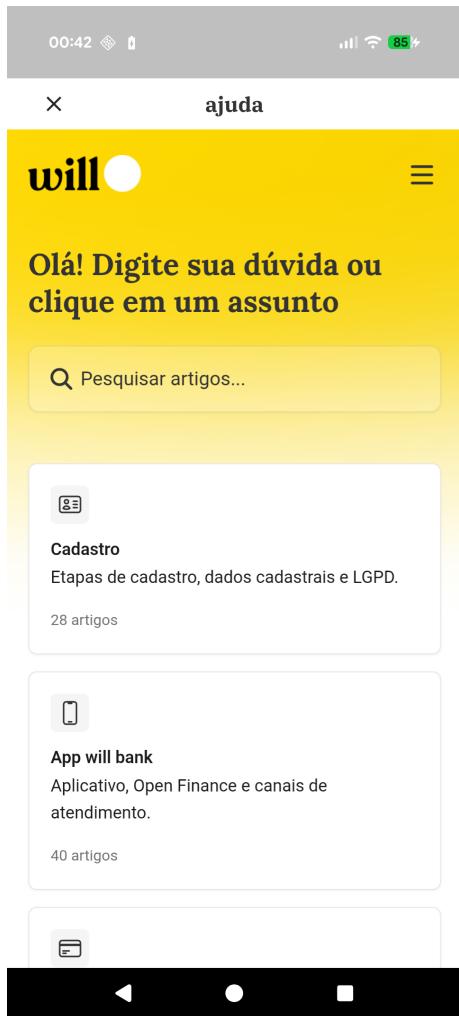

Thought:

I should try interacting with a new element that has not been tapped yet. The options include 'Perguntas Frequentes' or 'Acesse o chat', as previous attempts were unsuccessful.

Action:

Tapped on element with description 'Perguntas Frequentes'

--- Step 8 ---

Reflection:

I have navigated to the FAQ section but have not yet located the account statement as required by the mission.

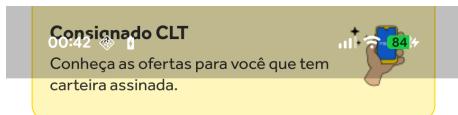

Thought:

I need to return to the main menu where financial information, like an account statement, is more likely to be found.

Action:

Executed 'go back'

--- Step 10 ---

Reflection:

Based on my history and the current screen, I have not yet completed the mission of finding the account statement. I have revisited this screen multiple times and the actions I attempted did not lead to the account statement.

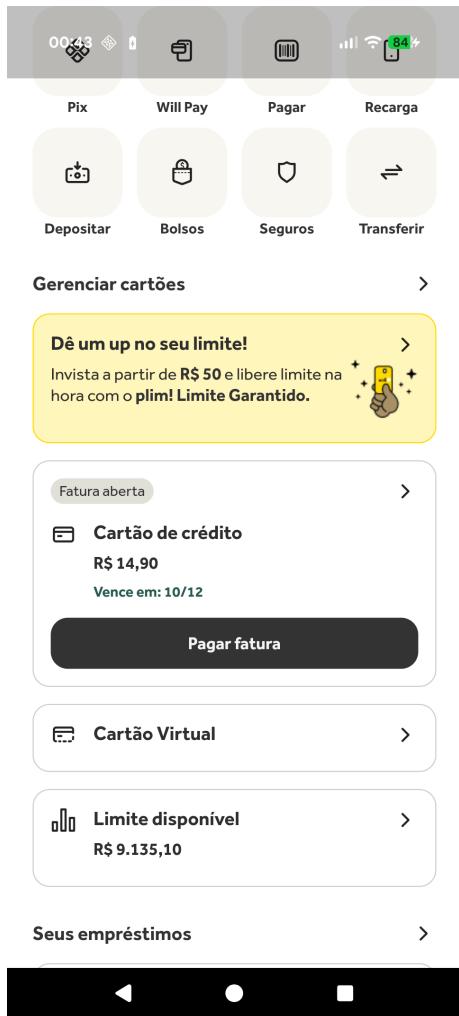

Thought:

Since scrolling down and tapping on described elements haven't helped, I should try scrolling up to explore other areas of the screen.

Action:

Scrolled up

--- Step 11 ---

Reflection:

I have not found the account statement yet. The elements related to investments, frequently asked questions, and others were explored, but the element for 'extrato da conta' hasn't been accessed.

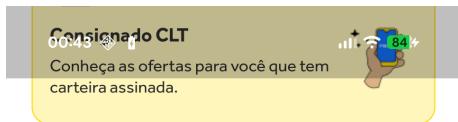

Thought:

I need to look for an element that might indicate access to the account statement, possibly requiring scrolling to reveal it.

Reflection:

I have attempted several actions but haven't located the account statement. The screen doesn't display any elements related to 'extrato da conta' directly.

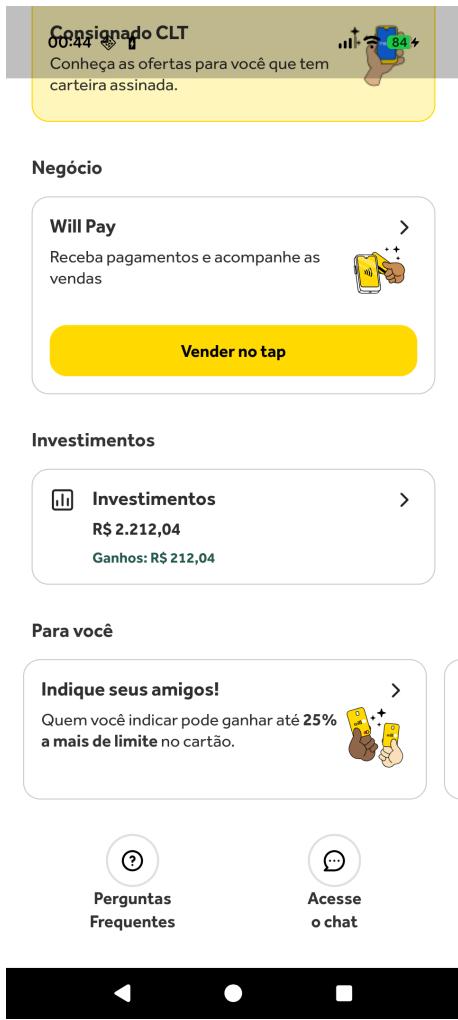

Thought:

I need to explore another part of the app. Since my past actions show attempts on investment and business options, I should try to scroll further to see if there are additional options.

Action:

Scrolled down

--- Step 15 ---

Reflection:

I am still on a screen showing multiple options but not the 'extrato da conta' directly. I have attempted various options but haven't yet found the correct action leading to the account statement.

Thought:

To make further progress, I'll try to explore options I haven't tapped on yet. The element 'Sobrou quanto?' might lead to account details, which is relevant to account statements.

Action:

Tapped on element with description 'Sobrou quanto?'

Veja todas as contas que pagou via boleto ou pix, com o valor do mês já somado e organizado pra facilitar sua rotina.'
